Dear Draftsperson:

Responsive to the Notice of Allowance and Issue Fee Due dated January 13, 2003 for the above-identified patent application, the Applicant hereby submit corrected formal drawings for review by the official draftsman.

The corrected formal drawings include changes required by the proposed drawing correction filed on October 25, 2002, which have been approved by the Examiner. In particular, in FIGs. 5 and 11, the description of the block labeled 108 was changed from "Receiver RX" to "RX Amplifier" and the description of the block labeled 128 was changed from "RX Amplifier" to "Receiver (RX)".

No new matter has been entered in the corrected formal drawings.

The corrected formal drawings are being filed within the three month shortened statutory period set for reply in the Notice of Allowance and Issue Fee Due as April 14, 2003.

Any inquiry related to this response should be communicated to Daniel J. Magine at the address and phone number presently on file with the USPTO and as noted above.

Respectfully submitted,
